

## School Council Corner

**Save the date:** Tuesday, September 23, 2025, at 6:00pm is the first School Council Meeting of the year! Everyone in our school is welcome to attend, and we even have free babysitting so you can bring your kids as well! Come in person or join online on Zoom!

### What are School Council meetings all about?

We meet once a month to support learning around the school. Join us to stay in the know about school events and initiatives, and to help make important decisions like which areas should be a priority in spending money from fundraisers. From technology in the classrooms to field trips and swimming lessons, we work with the school to support all grades!
